Area-based Education Partnerships Association

Share and Learn Workshops

- **School improvement - Looking in depth at the models in two different areas:-** Led by Stephen Betts (Learn Sheffield) and Tracy Ruddle (BEP)
- **Measuring and evaluating the impact of partnerships** - Led by Julie Lewis and Tessa Hodgson (Ealing Learning Partnership) and Triin Edovald (EEF)
- **Growing and maturing partnerships – insights into the various stages of partnership growth,** led by Andrew de Csillery (HfL) and James Roberts (The Education People)

The logo for the Area-based Education Partnerships Association (AEPA) features the letters 'AEPA' in a large, bold, blue sans-serif font.

Area-based Education Partnerships Association

What do we know about
the self-improving, school-
led system and what
might be the implications
for the new middle layer?

*Professor Toby Greany, Chair in
Education, University of
Nottingham*
